

लघुगणित व वैद्यकशास्त्र

November 3-4, 2018

At the OMPalace Yogavidya

*a Weekend of Health Exploration with **Christina Richâ Devi***

Join **Christina** for a weekend of learning, sharing and healing. A peaceful location in the Queens Valley, near **Owen Sound**, provides the setting for our weekend of **Medical Astrology**. Handouts, Vegetarian Lunch and Chai will be provided.

Remedial applications based on principles of the Vedas, Ayurveda, mantra, yantra and tantra will be studied in relationship to ancient alchemical pujas (remedies, gems and ceremonies) and the study of the nine planets governing our cellular constitution and evolution. This is useful to anyone concerned with their health, longevity, balance, addictions, bi-polar moods, depression, fibromyalgia, systemic candida, food disorders or depletion of vitality and joy of life.

Christina Richâ Devi has been a student of yoga, tantra, yantra and mantra since 1972. Knowledgeable in planetary alchemy, she lives her life as a devoted tantric through the practice of Psychoneuroimmunology, Ayurveda and principles of the Vedas thru Jyotish, the science of light. She is a personal student of the late Sri Harish Johari since 1989. She currently studies and teaches the Yoga of the Planets by invitation internationally

Tuition \$495, if prepaid in full by Oct 4/2018, deduct 10%
